

WHEEL HUBS & HUB ASSEMBLIES

FOR ELECTRIC VEHICLES

As the demand for electric vehicles continues to grow, aftermarket parts support must keep pace with the ever-expanding electric car market to satisfy consumer needs. WJB Automotive tackles this issue by offering substantial coverage for a wide range of electric vehicles with their updated Wheel Hub and Wheel Hub Assembly product lines.

Below is a short excerpt of parts offered in WJB Automotive's lineup. Please contact your WJB Automotive representative for a complete list of wheel hubs and wheel hub assemblies compatible with electric vehicles.
